Berrywood Marlins is a community swim team run solely by parents. Volunteering is a great way to get to know other parents and it can be a very enjoyable. As a part of membership on the team, there is a requirement that parents will volunteer at a minimum of 4 meets during the season (time trials can count for one of your 4 meets). All jobs allow some flexibility so that you will still be able to watch your child swim. Some jobs do require additional training. You will receive a sign-up genius link so that you can sign-up for your volunteer jobs, if you don't sign-up then you will be assigned.

In addition we would like each family to help with one social event. Our social events: Tie-Dye Day, Pep Rallies, Movie Night, Pancake Breakfast, Bonfire/Smore Night, Sip and Dip, Teen Night Practice, Middle School Pool Night, End of Season Banquet, etc. Older Swimmers can also volunteer to help run social events.

By initialing here, I acknowledge I read and understand the volunteer commitment. _____

I will sign into any meets that my child will attend. I have signed the East Severna Park League Release form. I will abide by and have received a copy of the East Severna Park League Code of Conduct. I will not interfere with the coaching instruction during practices as I realize it jeopardizes the safety of the other swimmers. If I have a comment I will speak to the coach after practice or email them. If I have a concern I will speak to the Swim Team Manager. I will check TeamSnap on a regular basis so that I can stay current with swim team happenings.

My Signature on this form certifies that I am aware of my responsibilities as a Swim Team Parent.

Parents' Pledge of Conduct

Understanding that parents are the singular most important role models for their children, I agree to:

1. Maintain and display self-control while attending practices, events and meets, in which my child is participating.
2. Give positive encouragement from the sidelines, because it is the best way to support the team and my child's athletic endeavors.
3. Teach my child to play by the rules, respect League Officials and respect others, because that is as important as learning the skills necessary to successfully play a sport.
4. Recognize that the League Representative can best represent the team when dealing with the Referee or League Official.
5. Recognize that the League rules state that spectators cannot interfere with Officials in the performance of their duties and that the League Representative is the only person that can deal with the Referee or League Officials during a meet.

East Severna Park Swim League is about the kids developing a sense of teamwork, sportsmanship and self worth, and I fully support these ideals.
